## **STAINLESS STEEL ASSEMBLY**

Cuts cleanly and precisely in one swift, fluid motion. Simply press down on the push block and watch as your product is smoothly transformed into 1/4", 3/8", 1/2", or 1" pieces.

## **RAZOR-SHARP STAINLESS STEEL BLADES**

**EASY TO MAINTAIN**  
For easy maintenance, the blade assembly and push block come apart quickly when it's time for cleaning.

## **WITHSTANDS RIGOROUS DAILY USE**

**NON SKID FEET**  
For stability, the four rubber feet keep the unit from sliding during operation.
