

Commercial Glass Polisher

Simply sparkling glassware... fast.

The GP-100 Commercial Glass Polisher is key to sparkling glassware for hotels, caterers, bars, restaurants, event venues and glassware rental companies for whom consistently brilliant glassware is important for maintaining their reputation.

- **Efficient...** polishing heads simultaneously polish glassware inside and out and are dried by the warm air of the blower.
- **Gentle...** Soft microfiber twine material minimizes stress on glassware reducing potential for breakage.
- **Saves time and money...** Polishes up to 350 glasses per hour saving hundreds in labor and minimizing costly glass breakage.
- **Sanitary...** Customers enjoy crystal clear glassware with minimal handling by bar staff.
- **Portable...** Small footprint and lightweight. Built-in handles for portability.
